

Capture your wishes in an envelope for

Santa's Sorting Office

at

THE ROYAL MINT®
EXPERIENCE

Did you know, Santa gets millions of letters sent to his Sorting Office every year, packed full of wishes and dreams?

On your visit to Santa, you'll see the sorting office where all these letters get sent. Why not capture your own wishes to bring along on your visit?

All you need is an envelope (you can use the template on the next page if you'd like), colours or decorations, and a wish in your heart!

First

Draw, colour, sketch, stick, sprinkle, stamp and fold your envelope.

Next

Whisper your dreams and wishes into your envelope, or simply hold it close to your heart whilst you make your wish.

Finally.

Quickly seal your envelope before your wish escapes!

Don't forget to bring it with you when you come to visit Santa!
